Aloe hedge along the Line of Railway.

5. Read—Proceedings of the Chief Commissioner of Mysore, No. 3028-9—Ml. 145, dated 19th August 1880, declining sanction to the proposed removal of aloe hedge along the line of Railway within Municipal limits.

Resolution.—The Commissioners regret that their resolution urging the necessity for the removal of the aloe hedge along the Railway line should not have met with the approval of the Chief Commissioner, but as the measure proposed is in their opinion one of very considerable importance as affecting the health and safety of the public, they now unanimously resolve that the subject be once more submitted for the favorable consideration of the Chief Commissioner; they would beg to point out that the Bye-law as it at present stands has for years past without any difficulty been enforced in numerous instances and that if now qualified in the manner indicated the result must be a large amount of litigation as it is only natural to suppose that objection will be taken in almost every instance as to whether the locality under reference is sufficiently open or otherwise as to come under the operation of the Bye-law in its now proposed, amended, or qualified form. The Commissioners consider therefore that the preferable course would be either to cancel the Bye-law altogether or permit it to remain in force in its present entirety.
